WHO YOU ARE HELPING - Poppy & Eleri's Story

Both Eleri & Poppy are two local girls that have lived in Fairford for 7 and 3 years respectively. In March 2018, both families were devastated when Eleri was diagnosed with a rare form of bone cancer and Poppy with leukemia. Their constant treatment is gruelling and exhausting not just for the girls but the whole family - knowing there is Community Support behind them can make all the difference.

If you can't make the Event, don't worry, please pledge your support on the following crowdfunding page & of course share with your family and friends - every little makes a huge difference: <https://www.justgiving.com/crowdfunding/bettina-harvey?>

If everyone that receives this leaflet donates a £1, a total of £20,000 will be raised - fantastic!
