 @StSampsonsPri

We have thoroughly enjoyed the sunshine this week -aren't we lucky to have a second dose of summer! In particular, our new FS2 children have enjoyed staying for their picnic lunches outside on the field!

Last week, in my newsletter, I put in some reminders about our Covid Safety Plan. I have really appreciated your support with those this week and there has been much less congestion on site and more social distancing; thank you. Attached to this newsletter is further guidance, just issued by Wiltshire, about testing and advice on whether to send your child to school or not if they are feeling under the weather. We hope that this will help you and us going forward.

Don't forget that we are supporting 'Jeans for Genes' day tomorrow. All classes will have a collection pot for any donations that the children bring in in exchange for wearing their own clothes.

## Collective Worship and Assemblies

Current guidance means that we are not allowed to meet together so I thought I would let you know how we are making sure that we do have moments in our school week to worship, reflect and celebrate. I record a weekly Collective Worship, based on our value, and this is shared with each class. There are various discussion points and follow up activities and ideas, which the teachers then use for class worship. We are having our weekly Celebration Assemblies via Zoom. Finally, we are using a range of listening and musical games in place of our singing worship. These have proved to be very popular!

## Lunch boxes

If your child is bringing in a lunch box from home, please can you make sure that they have the cutlery that they need packed as well. It is tricky eating a yoghurt without a spoon or pasta without a fork and we only have limited plastic supplies! Thank you ☺

## St Sampson's Stars!

A big well done to all our stars of the week ☺
