Term 2 - Number 9

Thursday, 12th November 2020

It has been an exciting week in Reception and Year 1 as there has been a gingerbread man on the loose - he escaped from the oven and was seen running around the field! Luckily, we had plenty of children to chase after him! There are even rumours of gingerbread being eaten...!

For the first time yesterday, we were able to stand together as a whole school, socially distanced and organised so that we were not crossing paths, to observe a two minute silence for Remembrance. It was a poignant moment. I could not have been more proud of all the children who were so respectful and honoured the occasion perfectly.

Home Learning during Self-Isolation

If a pupil has to self-isolate whilst waiting for a Covid19 test result for them or a member of their household, has a positive test result in the household, following the instructions from Track and Trace, or as a 'bubble' from school, then in these cases, we will ensure that we will provide work for them to do at home. Due to the variety of timespan of self-isolation and the various scenarios leading to this, I have put together a guide about this provision. This is a guide (not a policy), as there has to be a degree of flexibility, depending on circumstances both at home and school. This guide is on our website and is also being sent out with this newsletter.

Children in Need - Tomorrow

Don't forget that we are supporting this year's Children in Need. Children and adults can swap their normal school uniform for the day and wear something spotty, fancy dress, their pyjamas or anything else that they might like, in exchange for a donation if you feel able to.

(Please can I also remind you that whilst wild and whacky is allowed and is great fun, Heelys shoes are not suitable or safe to be worn in school.) If your child normally has PE tomorrow, there is no need to wear PE kit.
