Term 2 - Number 10 Thursday, 19<sup>th</sup> November 2020

 @StSampsonsPri

It is certainly feeling a lot darker as school finishes each day and the weather is definitely more autumnal and wintry. The focus in the media is shifting to what kind of Christmas we can expect. At school, we are having the same conversations and are thinking of ways that we can enjoy Christmas and share the spirit and festive fun together in a safe way. There will obviously not be the same whole school events but please know that we are most definitely not cancelling Christmas! I hope to be able to share our plans with you very soon. In the meantime, there are details of a festive Snowman competition from the kitchen to get you in the mood attached to this newsletter!

## Flu Vaccinations - Monday, 23<sup>rd</sup> November

These will be taking place in school next Monday. An NHS letter has been sent to all parents/carers of children in Reception to Year 6 who are eligible for the flu nasal vaccination. Parents do not need to bring these letters into school and as long as they have completed the consent link provided by Virgin Care Services then their child will be vaccinated. <https://schoolimms.virgincare.co.uk/flu/2020/wilts>

All queries should be directed to Virgin Care and not to school please.

## Children in Need

Many thanks for all your  donations. We raised a superb £340.61!

## Library Books

We have a lot of missing library books, particularly from the upper school library. Whilst we appreciate that there will always be some that don't come back to school and we would prefer children to loan them out, there are more not returned than usual. This might well be due to lock down in the summer. Please can you have a look at home? All returned books will be quarantined for 72 hours.
