Term 5 - Number 30

Thursday, 27th May 2021

 @StSampsonsPri

Finally, some sunshine! After a VERY wet weekend, we are pleased to be able to get the whole school down on to the field to play at lunchtimes. Let's hope that this weather continues in to half term.

Year 6 have their last session at Cricklade Leisure Centre pool tomorrow, thus completing their personal survival skills course. Well done to all of them, especially those who were less confident at the beginning but have shown a real growth mindset in their approach to this.

Next week is half term; we break up at normal finishing time tomorrow. I hope that you all have a relaxing and enjoyable break. We return to school on Monday, 7th June for our last term of this academic year.

NSPCC Number Day Total

We have been overwhelmed by your fantastic support for our sponsored event with a brilliant total of **£1140.81**! This is over £500 more than it was in 2019. Thank you so much for your generosity. ☺

Contact Tracing over Half Term Break

If any adult or child who is in school this week were to test positive for COVID-19 within 48 hours of being in school, it is imperative that we know so that we can inform Public Health England and contact those who need to self-isolate.

As in the case of positive test results at weekend, please email me directly at jbayne@st-sampsons.wilts.sch.uk. Please do not use this email address for any other reason during the weekends or school holidays. Thank you.
