Term 5 - Number 28

Thursday, 12th May 2022

@StSampsonsPri

I have been so proud of the children in Year 6 who have approached their SATs with a fantastic attitude this week. They have settled to the tests in a very mature way and done their best which is all that we ask of them. The tests in Year 6 are strictly timetabled and administered in a formal fashion and so are now completed.

As detailed in last week's newsletter, there are class photos (and Y6 individual photos) on Wednesday and Thursday next week. **If your child has PE on this day, please can they come to school in school uniform with PE kit to change into.**

Christian Aid

Next week - 15 - 21 May - is Christian Aid Week.

Christian Aid helps vulnerable people by providing humanitarian relief in crisis situations and long-term development support. At present Christian Aid is supporting refugees who have lost their homes in Ukraine and Afghanistan and assisting people facing famine and drought in Africa and the global South - Christian Aid also continues to press for the worldwide roll-out of Covid 19 vaccines and action on Climate Change. Many of those affected are children.

Please can you help Christian Aid? - there is a collection bucket in the School reception area. If you would like to make a donation all the funds raised will be very well used helping those in need.

With thanks for your generosity.
