Term 6 - Number 33

Thursday, 23rd June 2022

Thank you to everyone who was able to come along and support our Sports Morning and Afternoon Monday. It was great to have a whole school event with parents attending.

On Tuesday, Year 2 visited the STEAM museum. They also had a fantastic day and the staff who went with them were very proud of their behaviour, receiving compliments from the public and the museum.

Next week, I am off on school residential with Year 6 to the Isle of Wight. Again, this is the first time that they have been able to do this since 2019, so we are really looking forward to it. To this end, I won't be writing a newsletter next week. If you need to contact me, please do so via the school office and they will get a message to me. We will try to post on Twitter each day so please do see all that we are up to!
