Term 2 - Number 11

Thursday, 1st December 2022

Last Sunday was the first Sunday in Advent, where Christians around the world will think about the message of 'Hope' in the Christmas story. We lit our first Advent Candle on our Advent Wreath on Monday in Collective Worship to symbolise this. In addition, the Holy Families have begun their travels around Cricklade. If they do spend a night with you, it would be lovely if you are able to take a photo and tweet it.

Well done to the Eco-Warriors for running a successful pre-loved toy and book sale yesterday to support their toilet twinning fundraising. We will give you an update on this very soon.

Children in Need

We raised a fabulous £287.75 for this year's Children in Need. Thank you for all your donations.

Christmas Dinners - Lower School 13th & Upper School 14th December

Please make sure that all your Christmas Dinner orders are placed on School Grid (and that you have enough credit on your account - £2.50) by next **Tuesday, 6th December**. FS2-Y2 do not need to pay. Orders on the day cannot be accepted. Please ensure your child's order is for the correct day.

If you are entitled to free school meals for your child (Pupil Premium), a cold meal option will be available to order for the day the other half of the school is having their Christmas Lunch. As always, due to the number of meals being catered for it would be appreciated if a home-prepared packed lunch can be provided for all other children.
