Bats in Churches

During the weekend of 14th/15th January, St Sampson's Church is holding a Bat Weekend! The highlight will be the multi-media art installation by artist Ilene Sterns called "On a Wing and a Prayer" created in association with the Bats in Churches project to bring awareness of how bats share the sacred space of churches with humans. The attached poster has more information as to how you can visit this. Children in Year 3,4 & 6 will get a sneak preview on Friday 13th January!

Christmas Charity Collections

Thank you for your generous donations following the Nativity and carol concert performances. This year we collected a superb **£541.37** for the British Heart Foundation.

In addition, we raised **£167.05** on Christmas Jumper Day for Save the Children.
