Term 3 - Number 17

Thursday, 2nd February 2023

We are looking forward to joining in with NSPCC Number Day tomorrow. All the classes will be doing a fun numbered sponsored challenge, as well as spending time looking at a range of maths problems around the book, 'One is a snail, ten is a crab'. (Please can all sponsor money be sent in to school by the end of this term).

Day 2023**

We are also really looking forward to our Creative Arts Week next week - 'Colour and Creation'. There were more details in last week's newsletter but it would be very helpful if your child can bring an old shirt or apron in to school please as some of the activities could be a little messy! Do keep an eye on Twitter to see what we are up to during the week.

Safer Internet Day - Tuesday, 7th February

Next Tuesday is also Safer Internet Day. We teach online safety throughout the whole curriculum all year, with a specific unit taught in each year group during computing. Mr Shelton (computing subject leader) will lead a special assembly on Tuesday morning.

Don't forget that we have LOTS of guides to different games, including fortnite and Roblox, and general information for parents about online safety on our website:

Uniform Reminders

Thank you for all that you do to ensure that our children come to school in the correct uniform. It is greatly appreciated. There are just a few things that are slipping occasionally, so please can I take the opportunity to remind everyone of the following:

- ❖ Black school shoes should be worn to school, not trainers (unless it is a PE day)
- ❖ Hair accessories should be school colours only
- ❖ Tracksuit bottoms / leggings worn on PE days should be plain black / grey / dark green / navy
- ❖ PE T-shirts should be plain white and a school jumper can be worn over the top

Girl Scouts World Thinking Day - 22nd February

Each February 22nd, Guide Scouts and Girl Guides across 150 countries in the world celebrate World Thinking Day. It's a day of international friendship and a time to stand up for the causes that could improve the lives of girls around the world.

On this day, we are inviting any children who are part of the Scouting Movement (Rainbows, guides, Beavers, Cubs, and Scouts) - boys or girl - to wear part of all of their uniform to school, if they would like to. Also, we would love for them to share what it means to belong to the Scouts or Guides and what they enjoy about it, with their class.
