Term 4 - Number 22

Thursday, 16th March 2023

Some of our Year 6 children have completed (or nearly completed!) their Bikeability training this week, with the last group doing their ride out and about tomorrow. This is always a highlight in the Year 6 calendar and great that the children have this expert guidance and tuition for riding their bikes safely on the roads.

Tomorrow is Red Nose Day. Don't forget the children can wear something red or whacky to school in exchange for a donation for Comic Relief. We talked about this charity and charity work in our Collective Worship on Monday as we thought about the Generosity of giving time and volunteering as well as making donations.

Pre-Loved Uniform Shop

A big thank you to Heidi who has kindly taken on the pre-loved uniform sales. As you know, Heidi held a sale last Friday and raised a super **£75** for our school on this occasion. We are delighted that parents have the opportunity to buy some uniform without having to pay full price and also very grateful for this donation to our school. Thank you. 😊

Sign up sheets for parents' evening

The sign up sheets for parents' evening will be in the Main Reception from Monday and can be accessed from 7:30am until 6:30pm. You can choose to either have a face to face meeting or a zoom meeting (or both if two parents cannot attend together. **Please only sign up for one slot per child.**)

Next week is the last week for all clubs this term.
