Term 5 - Number 27

Thursday, 4th May 2023

We are looking forward to our Coronation celebrations. Remember, that we invite everyone to wear **red**, **white** and **blue** to school tomorrow. Also, parents of children in the Lower school will need to collect their commemorative Coronation Mug, which Cricklade Court Leet are very kindly giving to all the children in the school.

Next week, our Year 6 children will be sitting their SATs along with all the peers at schools across the country. We will be inviting our children to school extra early to do a 'wake up warm up' and then to share breakfast together. I know that I can confidently say that they will approach these with a positive attitude and support each other. As always, we are extremely proud of how hard the children have worked in preparing for these tests and know that they will do their best, which is all we ever ask of them. These are just a small measure of one area of their work throughout our school. We also celebrate their achievements in being responsible citizens and good friends as well as their accolades in other areas, such as music and sport, and all that they bring to our school. Good Luck Year 6!

Once again, I hope that you have a lovely Bank Holiday weekend.

10p Toast

This is just a reminder that we serve toast every morning for any child who gets to school on time. Take up at the moment is rather low and so we are having to look at whether we can continue with this next term. If there is a reasonable demand, then we will continue for the rest of this academic year and review for September.

Fundraising Success!

Well done to **Florence (3/4L)** who has set herself the challenge of 50 miles in 30 days in order to raise money for 'Stand Up To Cancer'. Her challenge finishes on May 12th and we are giving her some final encouragement to complete this. So far, she has raised a superb **£250** and run 30.7 miles! Go Florence! ☺

Dancing Distinction!

Well done to **Lily (3/4L)** who has been working hard the past few months in preparation for her ISTD Primary Tap exam, which took place 2 weeks ago. Lily got the results over the weekend and we were thrilled to discover that she passed with a distinction! ☺
