Term 5 - Number 28

Thursday, 11th May 2023

I hope that you all had a lovely long Bank Holiday weekend; we even had some sunshine!

We had great fun in school last Friday, celebrating the Coronation. We danced through the decades in the afternoon and somehow managed to dodge the rain! A big thank you to Cricklade Court Leet for the very special memorial mugs given to each child and for coming and sharing part of our day with us.

Christian Aid Week 14th - 20th May

Next week is Christian Aid Week. Christian Aid helps and supports people in crisis - as a charity, they were active in the humanitarian response to the plight of people in Turkey and Syria following the earthquake earlier this year. Additionally, Christian Aid provides longer term development support through projects designed to help people build sustainable futures. This year, Christian Aid are focusing on the support given to small scale farming projects in Malawi. Badly affected by drought and climate change, the people there were struggling to survive with many having to make real decisions between feeding their children or paying the fees to send them to school.

Details of how to donate to Christian Aid were given in the May Chronicle - but there is also a donation bucket in the school reception and in each of the Churches. Please, if you can, give something to Christian Aid who can help people who have so little and are in so much need.

Thank you to everyone who contributed to the FSSA Bags2School collection - we raised a super £130!
